

ISLE OF SKYE HIGHLAND GAMES

The winner of the Highland Society of London Award at the annual Skye Gathering Piping Competitions, held on 6th and 7th August 2019 in Portree, was Sarah Muir from Glasgow.

Sarah had a very successful two days, winning the Dunvegan Medal for Piobaireachd with *Lament for the Earl of Antrim* from a strong field of 20 competitors; coming second in the Col Jock MacDonald Clasp for former winners of the Dunvegan Medal; and first in the Strathspey & Reel competition.

Jamie Forrester from London (a Member of the Highland Society of London) won the Col Jock MacDonald Clasp with *The Earl of Ross's March*; and also won the Hornpipe & Jig competition.

Please pass our appreciation of the Society's continued support to your office bearers, it is very much valued.
