194th RSA Annual Exhibition 2020
The Highland Society of London Award

Dear Alex,

I write to inform you that the RSA Awards Committee have selected Lorna McIntosh RSA to receive the **Highland Society of London Award** for her work in this year's RSA Annual Exhibition.

The Academy wishes to thank the Highland Society of London for its continued generous support of artists in the RSA Annual Exhibition. Lorna will no doubt be delighted at having received this award, especially at such a difficult time. Should you wish to contact Lorna, please do let me know and I will be happy to arrange this.

With kind regards,

Amy Cameron
