MEMBERSHIP TO BE ASCERTAINED BY THE SECRETARY.

Sir,

With reference to your letter of 22nd March applying for financial support from this Society for the Highland Games at Enniskillen in August, and my reply thereto.

It now gives me pleasure to inform you that, at our meeting on 15th May, it was unanimously agreed to send you a donation of £10 (ten guineas) towards your funds for this project. It was also requested that you send the Society a report on the proceedings of the Games, their success financially, or otherwise, when the Games take place. Further consideration may be given for help in the future.

I enclose herewith cheque for above amount, and trust that your Games will meet with great success. I regret not writing you personally as one of the Treasurers was away on business I was unable to do so. I have signed earlier.

Yours faithfully,

James Macpherson
